## Events in the Garden

### Narrogin Farmers' & Makers' Market

We host the Markets six times a year bringing together local producers and customers in our beautiful garden setting. Enjoy barista coffee, homemade goods and wood-fired pizza. Funds raised cover ongoing costs.

- Saturdays
- Time: 8.30am to midday
- Join in: "Little Bits & More" table is available to sell your surplus produce or odd items.

### Events and Workshops

- Throughout the year, we will promote a series of events, workshops and other activities through our newsletter, email, website and Facebook.
- Events include busy bees, long table lunches, and celebrating on special community event days.
- Workshops include organic gardening, seed saving, sustainability, preserving food, garden wildlife, etc
- If you would like to offer a workshop, email us!

### Our Objectives

- Develop and maintain a community garden that is accessible to the whole community.
- Foster community engagement, cooperation, and the enjoyment of gardening, community arts and other cultural activities.
- Use and promote practices to reduce, re-use and recycle materials and energy, and reduce waste going to landfill.
- Develop healthful and local food production and distribution to community members.
- Promote and facilitate health and wellbeing in the community.

### The Management Committee

- Meets monthly to discuss issues and plan activities (members can attend on request).
- Members are invited to our AGM and other planning activities through the year.
